

Dear Parents and Carers,

We are delighted to share that the Premier Education will be opening our Wraparound Care provision at Godwin Primary School from Monday 19th January 2026.

What is Wraparound Care?

Wraparound care provides safe, nurturing childcare outside of the normal school day. Our sessions support children before and after school in a relaxed environment where they can unwind, socialise, and take part in fun, engaging activities while being cared for by trained playworkers.

Learning Through Play – EYFS Areas

Our provision follows the Early Years Foundation Stage (EYFS) framework, supporting children's development across all seven areas of learning through play-based activities:

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development
- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

Activities are carefully planned to be age-appropriate, inclusive, and enjoyable, helping children build confidence, independence, and key life skills.

Food and Refreshments

Children attending wraparound care will be provided with nutritious snacks and light meals, with consideration given to dietary requirements and allergies. We aim to promote healthy eating while making mealtimes calm and enjoyable.

Booking Information

Parents will be able to book sessions up until 6:00pm. In addition, there is flexibility to book wraparound care directly from after-school clubs held at Godwin Primary School, ensuring a smooth and stress-free transition for your child.

We are excited to become part of the Godwin Primary School community and look forward to supporting children and families from next week.

Thank you for your continued support. If you have any questions, please feel free to get in touch.

Late fees...

Premier Education understand that, at times, parents/guardians may be delayed in collecting their child, and we will always ensure that we do our utmost to support our families where possible.

When a child is collected late, it has a subsequent impact on our staff members and quite often the setting where our provision takes place (e.g. a school). Therefore, Premier Education reserves the right to charge a 'Late collection fee'.

If you are running behind schedule and your child will be collected late, please make our head office aware so our team at the site can be notified in advance.

In the event of a child not being collected on time, we will attempt to call the parents/guardians and an emergency contact at least three times. If we are still unable to make contact, we will follow our Safeguarding policy and uncollected child procedure.

We always strive to offer parents/guardians the support needed; however, if late collections become a recurring event, we reserve the right to fully withdraw our service.

Flexi booking...

If you have added Flexi-Booking (charged at 10% of the total booking value), you may move a session to another date of the same type, provided this is done more than 48 hours in advance.
